### TECHNO KNOW-HOW

It's truly incredible to think about how much technology has advanced in the last 25 years.

Many people today can hardly imagine a time without the Internet, but believe it or not, the World Wide Web wasn't even around until 1990!

Now however, the Internet and mobile phones are essential elements in our lives.

We at LivestockOffice, strive to keep abreast of advancing technology to ensure your business maintains that competitive advantage.

#### Keep up to date with:

#### She did it!!

##### Success

Jac conquered the Routeburn Classic and raised over \$1400 for the Cancer Society. It was an awesome effort, many thanks to everyone who supported Jac and her cause.

Check out her results on our facebook page, she did amazing for a first timer.

### North Island Visit

Jenny has returned from her trip North. It was fantastic to catch up with some of our existing clients and to welcome new ones. It's always a pleasure meeting in person.

### From this ..... to THIS

Jenny has progressed in her fishing conquests from the little tiddler in last months newsletter to this! Good job, this is definitely more impressive, we are all very envious. YUM.

### TECHNO TIPS

#### Pre-printed Bank Deposits

Save time handwriting a banking deposit slip, print it from LivestockOffice - Go to:

**Cashbook > Cashbook Transactions, Select the C/B Debtor Transaction and Display,**

**Click List Options > Bank List**

All the transactions are grouped, listed and tallied ready to take to the bank.

### Shearing News

Now that winter is approaching, so too is a quieter time in the Shearing calendar. Time to step back and have a look at your operation. It's a good time to make changes for the new financial year.

**Can we help you with our Office Bureau? .....**

- Especially suited to working management, we offer an outstanding book-keeping and payroll service that will save you valuable time and money.
- Location is no barrier. Call us now and we can give you all the information you need. 03 445 1345

### Get ready for Gypsy Day

This is a huge day in the rural calendar that falls on a Saturday of a long weekend.

Plan ahead to minimise your workload. Make sure your database is up-to-date. Review and update carriers, agents and clients.

Check all have correct NAIT numbers. Our software will handle the rest.
