MONTH END / POST STANDING

Tools > Month End> Period End

A new feature has been added to the **Month End** function for both Paybiz and LivestockOffice.

Post Standing Cashbook and Post Standing Journal (GL only)

At the end of each month,

- click **Period End** (new to LO) rolls over without closing the period
- then **Post all Standing transactions** for the new month

This will generate all automatic payments for the coming month.

WHAT'S BEEN HAPPENING

UPGRADES & TRAINING

Another busy month in the Shebiz office.

We have been working through the Jade 7 upgrades giving everyone the benefits of the latest software improvements. Jade 7 ensures the longevity of your investment and continued leading technology advancement.

We now have a training room in our office. We can offer specialised training and refresher courses, tailored to you and your staff.

Our software is very comprehensive, we want **you to know it all**.

So why not come visit us, receive some personal training, spend a couple of days in beautiful Queenstown, Cromwell or Wanaka, and go home refreshed.

Shearing Sports

The 2016 / 2017 National Shearing Circuit kicked off in Alexandra last month with the NZ Merino Shearing Champs. Congratulations to Nathan Stratford, winner of the Open Shearing, finally taking the title from long standing winner Damien Boyle. Great job. Can he do it again in his home town of Invercargill at the World Champs in February 2017. Fingers crossed. We will certainly be there to watch.
