Whats Happening?

We have had a busy few months with lots of changes happening within the industry. Thanks to all of you who have entrusted us with handling these changes for you. We now have users from Southland to the Waikato and endeavour to keep everyone informed through remote access and online upgrades. Visit our webpage for the

latest. If you need help with downloads, give us a call 03 445 1345.

In the coming year we hope to offer increased training sessions to keep you all up to speed on changes and developments within the program. We would like to do this online as webinars. Would this suit you? Give us your feedback,

jenny@livestockoffice.co.nz

Clearing Sale Update

Good news - after testing our new clearing sale program at two very different Clearing Sales, thanks to PWA and South Stock Ltd, we are happy to report that **it works**. The results were really positive and everything functioned correctly. The sales did highlight some areas where the program could be more efficient and user friendly. We will be working on these areas and fine tuning the design over the coming weeks.

We will keep you informed on progress. Special thanks again to Dawn and Emma from PWA and Nicky and Shelley from South Stock, for allowing us to work with them in the background. It was very productive and enjoyable.

Is That Bull Safe?

A man was driving along a country road when the idea struck him to stop and pick some flowers. He had barely begun when he saw a mean looking bull not far away.

The young man called out to the farmer in the next field, "Hey, mister! Is that bull safe?"

To which the farmer shouted back, "Sure, safe as anything! Can't say the same about you, though."

Shearing News

Before you enter the busy time in the shearing year, we'd like to offer our Office Bureau Services to you. Using the Payshr program, we can take on your payroll and office admin, freeing you up at this busy time. Inquire at:

info@livestockoffice.co.nz

Shearing Sports

The competition was held in Alexandra at the start of the month. It was a great spectacle with about 200 shearers and woolhandlers competing. There were some wonderful results, and the international rivalry remains strong. Damien Boyle

from Australia took the open title again this year for the 3rd year running. NZ won the international team challenge. There were many great individual results also. Congratulations to you all. Check out the many photos on facebook - search: NZ Merino Shearing. Alexandra. Well worth a look.
